

February 13, 2020

Dear Parents,

The ASG Administration would like to thank all the parents who paid or proceeded in settling the 2nd payment of fees especially in this time of great difficulty in our country, Lebanon.

However, those who haven't abided by the payment deadlines are kindly asked to do so at the soonest time possible.

Registration for the coming academic year is open at the moment. Please register your child at your earliest convenience. Thank you!

Administration
